

## Design Workshop Series

A design workshop series was organized by IEEE Student Branch, College of Engineering Karunagappally in association with Industrial Applications Society during the month of January 2020. The basics in designing using Canva, Adobe Photoshop and Adobe Illustrator was taught to upskill the students. Students from different departments attended the workshops held at the computer

### UX/UI Designing Workshop – 1

A workshop on UX/UI designing was held on 28<sup>th</sup> January 2020 in the computer programming lab (A block) from 4:30 pm to 5:30 pm. The workshop was handled by Mr. Hari Prasad (PES SBC Chair). A general idea on user interface designs and user experience designs, benefits of Adobe Illustrator over Adobe Photoshop and the commonly used tools in Adobe Illustrator were discussed in the session. The interactive hands-on designing workshop was a new experience for the students. By the end of the session, they were familiar with the tools and its functions in Illustrator. 23 students attended the workshop.

## UX/UI Designing Workshop – 2

A continuation of the Design workshop series, the second part of the UX/UI design workshop was organized by IEEE Student Branch, College of Engineering Karunagappally on 31<sup>st</sup> January 2020 in the computer programming lab (A block). The workshop was handled by Mr. Hari Prasad (PES SBC Chair) from 4:30 pm to 5:30 pm. Concepts of creating a visually stimulating graphical layout that a user can comfortably interact was explored in the workshop. Advanced application of tools, editing and basics of vector drawing were also discussed in the session. A total of 28 students attended the workshop.
